

Material Safety Data Sheet

5200 Series Mats

Section I. Identification of the Product and of the Manufacturer

Identity: 5200 Series ESD Mat .06 Inch Thick. Dual Layer. Rubber.

Manufacturer: Elimstat.com

Location: 1744 Thomas Paine Pkwy

Dayton, Ohio 45459

Contact: Phone: (937) 324 - 1100

Fax: (937) 324 - 8753

Section II. Health Data

First Aid Measures: The product is and article has no significant toxic hazard.

Hazardous fumes can be produced by combustion or high

temperature decomposition.

If Exposed to Fumes

From Combustion

 \bigvee

Skin Contact: Flush skin thoroughly with cool water for at least five minutes.

Eye Contact: Immediately flush eyes with a directed stream of water for at

least 15 minutes, while forcibly holding eyelids apart to ensure complete irrigation of eye and lid tissue. Immediately contact

medical emergency services.

Inhalation: If breathing is difficult administer oxygen. If respiration stops,

give mouth-to-mouth resuscitation. Immediately contact

medical emergency services.

Physician Note: This material is an article and has no significant toxic hazard.

Hazardous fumes (CO, CO₂) are produced by combustion and

may be produced by decomposition at 450° F.

Effects of Over

Exposure

 \bigvee

Acute: This material decomposes at high temperatures, and can

produce irritating toxic fumes.

OFFICE: (937) 993-0300 FAX: (937) 993-0307

Material Safety Data Sheet

5200 Series Mats

Chronic: No significant hazard.

Route: Fumes from high temperature decomposition are toxic when

inhaled and irritating to skin and mucous membranes.

Toxicity: This material has no significant hazard.

Section III. Fire and Explosion Hazard Data

Flash Point: Approximately 500° F Auto Ignition: Approximately 700° F

Extinguishing Media: Carbon Dioxide, Dry Chemical, Water.

Personal Protection: In case of fire, water can be used to extinguish flames. Use

self-contained breathing apparatus and full protective

equipment. All fires liberate toxic gases.

Section IV. Ventilation

Respirator: None
Gloves: None
Eye Protection: None
Other Equipment: None

Outgas: Local exhaust in the vicinity of hot processing.

Section V. Physical Data

Specific Gravity

 $(H_2O = 1)$: 1.05 - 1.50 Percent Volatile: Nonvolatile Solubility in Water: Negligible

Evaporation Rate

(Butyl Acetate = 1): < 1

Color: Top Anti Static (Static Dissipative) layer is available in Blue, Dark

Blue, Gray, and Green rubber. Bottom layer is black.

Section VI. Hazardous Ingredients

Significant Hazard: This material is an "article" under the definition of the OSHA

Hazard Communications Standard (CFR 1910.1200).

OFFICE: (937) 993-0300 FAX: (937) 993-0307

Material Safety Data Sheet

5200 Series Mats

Section VII. Hazardous Ingredients

Byproducts: CO, CO₂ - This article can be forced to burn by continuous

application of intense heat. The primary combustion products will be CO and CO_2 . Other gases will include small amounts of aromatic and aliphatic hydrocarbons, and oxides of nitrogen and sulfur. The major hazard is carbon monoxide, which can

cause asphyxiation.

Section VIII. Handling and Storage

Material Handling: Use applicable fire and safety code precautions for storing.

Section IX. Environmental Protection

Waste Disposal: Submit for disposal in accordance with local, state, and

federal regulations. Material is Lead-Free. RoHS Compliant.

Section X. Regulatory Status

(RCRA)

Resource

Conservation and

Recovery Act (USA): Not classified as a hazardous waste.

Section XI. Additional Information

Cleaning: Always wear rubber gloves when cleaning exhaust equipment

or other surfaces. Recommended to use Elimstat Mat Cleaner

manufactured by Bennett & Bennett.

DO NOT use silicone-based cleaners as this can create an

insulation film on the top static dissipative layer.
